

## PUBLIC NOTICE CERTIFICATION Acute Coliform MCL

*Within 10 days of notifying your customers, you must send a copy of each type of notice you distribute (hand-delivered notices, press releases, newspaper articles, etc.) to your Regional Office of Drinking Water. Also complete and send this form, which certifies that you have met all the public notification requirements. If the boil water advisory remains in effect more than three months, you must notify your water users again and provide another Public Notice Certification to the Department of Health. With this certification, you are also stating that you will meet future requirements for notifying new billing units of the violation or situation.*
